

NEWS LETTER

SCAM PREVENTION

When planning your next getaway, exercise caution with emails or advertisements that promise vacation deals that seem "too good to be true." It's crucial to book your trips through verified and trusted travel websites to ensure a safe and secure transaction. Additionally, avoid wiring money or using prepaid gift cards for vacation rentals, as these payment methods can often be untraceable and are frequently targeted by scammers.

CSB CHUCKLES

Why did the coin sit in time-out?

Because it couldn't stop *flipping* on its savings goals!

Finance Tip: Stay Consistent - saving even small amounts regularly builds strong habits.

TURN YOUR DREAM INTO REALITY WITH THE **FUNd** ACCOUNT

Looking to make that dream vacation happen, hunting season always on your mind, or planning ahead to Christmas? Meet your new financial sidekick: the **FUNd** Account — designed to help you save with ease and purpose.

No stress. No forgetting. Just smart, automatic savings. With the **FUNd** Account, you choose your goal and schedule transfers that work for you — weekly, bi-weekly, or monthly. Sit back and watch your savings grow.
