

NEWS LETTER

SCAM PREVENTION

Protecting your personal information starts with proper disposal. Throughout April, we're offering secure document shredding at the bank to help you safely get rid of old statements, bills, and other sensitive paperwork. Simply tossing these items in the trash can leave you vulnerable to identity theft and fraud, but shredding helps ensure your information doesn't fall into the wrong hands. Take advantage of this service and add an extra layer of protection against scams.

CSB CHUCKLES

What do you call a tree that uses online banking?

A smart "sap."

GROW GREEN WITH eSTATEMENTS

In honor of Arbor Day and Earth Day, it's a great time to consider switching to eStatements. By choosing electronic statements instead of paper, you help reduce paper use, save trees, and cut down on waste which are small changes that make a big impact on our environment. eStatements are also fast, secure, and convenient, giving you access to your account information anytime, anywhere without waiting for the mail. They help keep you organized, reduce clutter, and add an extra layer of security compared to paper statements sitting in a mailbox.

To celebrate the season, we're also giving away apple trees on Friday, May 1st. Stop by the lobby to sign up. No purchase is necessary, you do not need to be a customer to enter, and you do not need to be present to win. It's just another small way we're encouraging our community to grow something positive this spring!
