BACK TO SCHOOL, BACK TO SUPPORTING our teachers and students!

SCAM PREVENTION

Back-to-school season often means searching for deals on laptops, tablets, and other technology. Scammers may use fake giveaways or ads promising free or deeply discounted devices to steal your personal or financial information. Be cautious of offers that seem too good to be true or require you to pay a fee to claim a "free" item. Before entering any information, make sure the website or company is legitimate. Remember: **if a deal seems too good to be true, it probably is!**

CHEERING ON OUR TEACHERS

Teachers do so much more than teach. They encourage, inspire, support, and help shape the next generation, and we're proud to support them! Since 2021, we have donated $21,190.22 to help provide teachers with the classroom supplies they need and to support Teacher Appreciation Week as a way to show them how much we care.

Throughout the year, we enjoy finding meaningful ways to show our appreciation for the educators in our community and all they do for our students.

Thank you for all you do!

HERE'S TO A GREAT SCHOOL YEAR!

We wish all of the students, teachers, staff, and families in our community a safe, successful, and exciting school year!

Want to help us support our local schools and teachers all year long? Ask Customer Service about a Rams Debit Card! With everyday purchases made using a Rams Debit Card, we're able to give back to the school on behalf of our customers. It's an easy way to show your Rams pride while helping support our schools and the educators who do so much for our community!

We can't wait to see all the great things you'll accomplish!
