FALL IN OUR Community

SCHOOLS • FARMS • FAMILIES • NEIGHBORS

FOOD DRIVE

We're teaming up with Roseau County Ford to help support local families through a community food drive. We're collecting **non-perishable food donations through September 27th** at Citizens State Bank, Roseau County Ford, Annie's Trading Post, and Transfers Unlimited.

Plus, monetary donations brought to CSB will be matched up to $1,150!

Every donation, big or small, can make a difference in our community.

SCAM PREVENTION

STOP. THINK. PROTECT.

Scammers can be convincing, but you don't have to be caught off guard. Never give out personal or financial information simply because someone asks for it.

If you receive an unexpected call, text, or email requesting sensitive information, take a step back. **Verify who you're communicating with before sharing anything.**

When something feels off, trust your instincts. Stop the conversation and contact the business directly.

HERE FOR THE HARVEST

Harvest season is one of the busiest times of the year for our farmers, and we're proud to support the people who keep our community growing.

Whether it's planning for the next season, investing in equipment, or managing the needs of a growing operation, our ag lending team is here to help.

Local agriculture. Local lenders. Local relationships.

CHEERING ON OUR SCHOOL

The school year is underway, and that means it's time to cheer on the Rams!

We're proud to support our school, activities, and booster organizations throughout the year. From the classroom to the field, we love to support the opportunities that students get to learn, grow, compete, and build lasting memories.

Go Rams!
